A monthly publication of the recent activities and upcoming events of the Mount Diablo Metal Detecting Club

The October 2014 MDMDC club meeting had a total of 39 attendees, which included 2 guests. The attendance ticket winners were Bobby Whitworth and David Wullenweber. Dave Neadle won the "Silver Dime" raffle. Bobby Whitworth won the grand prize of an Indian head gold coin.

Starting in January 2015, the club will meet at a new location and on a new night. More details will be sent out in an email to club members, and will be included in the December newsletter.

Previous mini-hunt report: John Russell reported that the September mini-hunt was held at Baldwin Park in Concord, and that 15 members had a great hunt. Thanks, John, for hosting the hunt!

Future mini-hunt report: David Grube announced that the October mini-hunt would take place at Baldwin Park in Concord, and would have a Halloween theme.

Some of the topics discussed were the upcoming holiday party in December, the new club logo that is being designed, and the new business cards which are being discussed by the board.

Dale Myer of the East Bay Prospectors club announced that his club was selling a GPX5000 metal detector that his club had won in a raffle.

David Grube talked about his new White's CTX3030 metal detector, which comes loaded with features and options for all sorts of detecting. Nice machine, David!

Gary's Corner talked about the lake levels in CA which are dropping due to our drought conditions, opening up new locations to find those buried treasures!

The Mount Diablo Metal Detecting Club's first dedication is to treasure hunting in all its forms and to use and enforce the treasure hunter's Code of Ethics. The second dedication is to community. We complete this dedication through the use of our trained Community Assistance Team and our support of the Blind Camp.
